INTERVIEWS in Lisbon & Porto
October/November 2013

Accommodation
arranged prior to arrival &
the first 2 months are FREE

Kate Cowhig Recruitment in partnership with University Hospitals of Leicester NHS Trust have excellent full time career opportunities available for Band 5 & 6 Nurses. **New graduates and experienced welcome!** A University town, Leicester City has one of the six biggest Trusts in the UK treating in excess of 1 million patients per year and who have the best records in the country for cardiac care. Leicester City is well known for its central East Midlands location being just an hour by train from London as well as being famous for its cosmopolitan buzz of city life and legendary football team. Birmingham and Manchester cities are also within easy reach.
